*My passion is for the local church: preaching, teaching, encouraging faith formation, providing pastoral care, setting vision and equipping staff and volunteers for ministry.*

## ELDER EXPERIENCE

---

### **2014-PRESENT PASTOR**

#### **HUDSON UNITED METHODIST CHURCH - HUDSON, ILLINOIS**

The church has stabilized and shows signs of new growth.

### **2012-2014 ASSOCIATE PASTOR**

#### **FIRST UNITED METHODIST CHURCH - NORMAL, ILLINOIS**

This campus church gave me opportunities in administration, especially during the transition of senior pastors.

### **2010-2012 ASSOCIATE PASTOR**

#### **FIRST UNITED METHODIST CHURCH - PONTIAC, ILLINOIS**

This county seat church could not afford two pastors so my tenure was cut short. I preached weekly and gained experience in pastoral care and faith formation.

## EDUCATION

---

### **2015-PRESENT DOCTOR OF MINISTRY IN PREACHING**

#### **GARRETT-EVANGELICAL THEOLOGICAL SEMINARY**

This unique, ecumenical program through the Association of Chicago Theological Schools brings professors from around the world for this contextual preaching program based in the pulpit.

### **2013 CERTIFICATE, CLINICAL PASTORAL EDUCATION**

#### **ADVOCATE BROMENN MEDICAL CENTER**

The BroMenn congregational-based internship has the traditional hospital component while also incorporating concurrent church experiences to enhance pastoral ministry in the local church.

### **2007-2010 MASTER OF DIVINITY**

#### **GARRETT-EVANGELICAL THEOLOGICAL SEMINARY**

I was enriched by the highly effective Field Education program, being a member of the Student Council, and deep involvement with student & community life programming.

### **2000-2002 NON-DEGREE, INTERPRETER PREPARATION PROGRAM**

#### **JOHN A LOGAN COLLEGE**

While fulfilling a foreign language requirement I fell in love with the language and culture. I continued with two years of American Sign Language, deaf culture, and interpreter classes.

### **1998-2004 BACHELOR OF SCIENCE, SPEECH COMMUNICATIONS**

#### **SOUTHERN ILLINOIS UNIVERSITY CARBONDALE**

My concentration was Interpersonal Communications and my life was changed and faith rekindled through my involvement at the Wesley Foundation.
